Project : **Construction of Waad Al-Shamal ISCC Power Plant, Contract #4400006770**

Subject : **Shama Al Shamal – Civil Subcontractor**

Reference : GE/SEC-LET-00271 July 13, 2016

Greetings,

With reference to GE's above letter requesting approval of M/s Shama Al-Shamal to work as a Civil Subcontractor. Please note that the above company being in the AVL and as proposed by GE, is approved in the following areas for Reinforced Concrete Works only:

1. Tank Foundations
2. Warehouses
3. R.C tanks

GE to note that since M/s Shama Al-Shamal is approved only for Non-technical Buildings only, ACC is not included in this approval.

GE to note that this approval does not relieve GE from Contractual Obligations to comply with the requirements of the Contract.

Regards,

Talal A. Al-Shugayhi

Project Manager (A)

Annexure I

Subject: Submission of PQD for Civil Subcontractor

Project: Construction of 380/110kV BSP New Rabigh PV (RBG PV) & Related 380kV OHTL

Contract No.: 4400013061/ 00

With reference to the Contractors letter L-38 Rev.01 for the PQ Approval of listed Civil Subcontractors, Technical evaluation is carried out for the submitted compliance documents and subject to feedbacks as received by SEC; kindly find below our conditions:

1. M/s Contracting Office Company Ltd. Re-Qualification (Contraco)

- a. M/s Contraco shall submit an undertaking letter stating that they are not burden with more Projects and has enough Manpower to complete the works as this is a rush project since there are ongoing 380kV & 110kV Projects with M/s Contraco as per the list of Projects and also recently have taken Approval for Manpower subcontractor under them for one of the 380kV Project.
- b. In order to Qualify M/s Contraco for this Project- M/s Contraco has to provide the List of Manpower (367 No's) those are currently not working in the Projects w.r.t. submitted Muqem report and List of ongoing Projects against Manpower; Highlight them in the muqem report, provide Iqama copies and Provide the number of labors/Manpower hired from other subcontractors separately assigned for each of the Project.
- c. Provide updated GOSI, Civil registration and updated zakat certificates.

2. M/s Eram Arabia Limited (Eram)

- a. M/s Eram Arabia Limited shall submit an undertaking letter stating that they are not burden with more Projects and has enough Manpower, Full Supervision and all other resources to complete the Civil scope of works as per SEC Standards and specifications without any compromise on commitments to Project Schedule, Quality, Safety, Shortages of equipment and Manpower. As this is a rush project and M/s Eram has worked only for 380kV Expansion project earlier, High expectations and Best performance targets are set by SEC for M/s Eram to consider them as one of the Pre-Qualified Civil Subcontractors of SEC for future projects subject to their performance on this Project.
- b. Provide the list and names of Subcontractor / Rental Manpower worked with M/s Eram during their works with SEC in other regions.

zaki

3. M/s Shama Al-Shamal Ltd Co. for Contracting (Shama)

- a. M/s Shama Al-Shamal Ltd Co. shall submit an undertaking letter stating that they are not burden with more Projects and has enough Manpower, Full Supervision and all other resources to complete the Civil scope of works as per SEC Standards and specifications without any compromise on commitments to Project Schedule, Quality, Safety, Shortages of equipment and Manpower. As this is a rush project and M/s Shama Al-Shamal has worked for 132kV Projects earlier, High expectations and Best performance targets are set by SEC for M/s Shama Al-Shamal to consider them as one of the Pre-Qualified Civil Subcontractors of SEC for future projects subject to their performance on this Project.
- b. Provide the list and names of Subcontractor / Rental Manpower worked with M/s Eram during their works with SEC in other regions.
- c. Additionally, Provide the documents as listed below:
- Provide organization chart with proposed names and designations to be submitted inline for scope of works including Quality and Safety for this Project.
 - Provide TUV Rhineland / SEC Accredited Third Party competence assessment certificates for Operators showing their competencies in their fields of expertise as certificates are expired.
 - Provide Lists of Equipment's (rented/owned) with valid registrations along with SEC Accredited Third Party Agency certifications for all Listed Equipment's (owned & rented).

4. M/s Al Dawliya Al Ariqa for Contracting & Development Company (Al Dawaliya)

- a. M/s Al Dawliya Al Ariqa shall submit an undertaking letter stating that they are not burden with more Projects and has enough Manpower, Full Supervision and all other resources to complete the Civil scope of works as per SEC Standards and specifications without any compromise on commitments to Project Schedule, Quality, Safety, Shortages of equipment and Manpower. As this is a rush project and M/s Al Dawliya has worked for only one no.380kV Project earlier, High expectations and Best performance targets are set by SEC for M/s Al Dawliya Al Ariqa to consider them as one of the Pre-Qualified Civil Subcontractors of SEC for future projects subject to their performance on this Project.
- b. M/s Al Dawliya can work only on One no. 380kV Project at one time with their Limited Manpower (81 NO's) and resources. M/s Al Dawliya shall provide the list of ongoing 380kV & 110kV Projects in all regions with Project progress % and assigned Manpower on each Project;
- c. Separate approval must be obtained from SEC Safety & Quality Group for all the proposed Manpower, Safety Engineer/officer and QA/QC Engineer, Risk and Safety management issues related to all Safety and Quality aspects.

zaki

Notes:

1. All the workers shall be under the sponsorships of the subcontractor or according to official regulations of Saudi Arabia .
2. The subcontractor shall recruit site engineers with experience in substations construction
3. Any Approval does not relieve/release the contractor from their contractual obligations and responsibilities to comply with all Scope of works, Standards & Specifications.

Project: Reinforcement of Madain BSP (New Reactor) NWA

Contract No: 4400013610

**Subject: Pre-Qualification Documents for M/s Shama Al Shamal for Substation
Civil Works**

With reference to Contractor letter L-026, Rev.02 and compliance documents submitted in regards to the Pre-Qualification Documents for Substation Civil Works, Technical review is carried out for the provided documents, feedback from COA for their earlier performance reviews and concluded that **M/s Shama Al Shamal is Qualified and Approved for Reinforcement of Madain BSP (New Reactor) NWA Project**. However, PMT shall monitor their performance in this Project for their Quality, Safety, Manpower – Technical and non-technical staff, their compliance to PTS and Contractor shall provide their performance records for every 3 months to SEC PMD/TSG accordingly.

Note: Approval does not relieve/release the contractor from their contractual obligations and responsibilities to comply with all Scope of works, Standards & Specifications.
